PAPER PLAY / NAME CRAFT

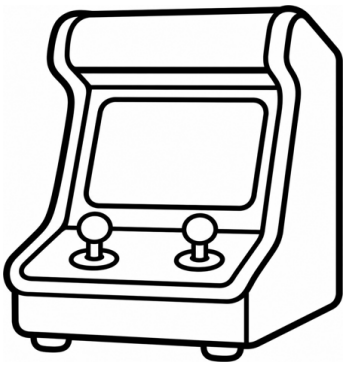

Emma’s arcade name screen

Make a pocket-size arcade. Open its screen and read each letter of Emma.

1 Cut out the cabinet

3 Make the screen

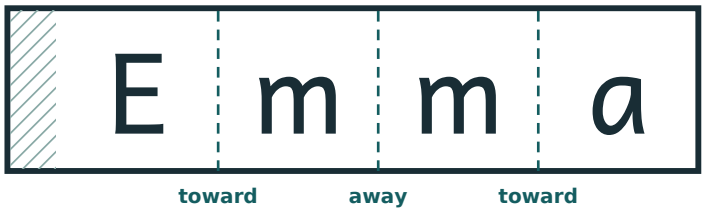

1. Cut around the strip below. Keep the letters joined together.
2. With the letters facing you, fold at each dashed line. Use the directions in the folding key below.
3. Glue only the back of the striped tab to GLUE HERE. Let it dry.

Pull the end to open. Read E, m, m, a.

Close the screen and write Emma on the cabinet.

2 Cut out the letter strip

Solid outside edge = cut. Dashed lines = fold. Leave both m panels attached.

FOLDING KEY

Keep E and its glue tab flat.
At each crease, bend the remaining panels as marked. Open the strip to read the name from left to right.
